

Pet Insurance

Protect your best friends.

MetLife[®]

When your pet needs medical care, the last thing you want to be concerned about is how to pay for it. Fortunately, Veterinary Pet Insurance¹ (VPI) can help you handle the ever-increasing costs of caring for your pets when they are ill or injured. Benefits include:

Coverage for a multitude of medical problems and conditions.

A VPI Pet Insurance policy covers a multitude of medical problems and conditions related to accidental injuries, emergencies, poisonings and illnesses, including cancer. You may also add optional Pet WellCare ProtectionSM.

Coverage for a wide range of veterinary services.

A VPI Pet Insurance policy covers diagnostic tests, prescriptions, office visits, X-rays, treatments, hospitalization, lab fees and surgeries.

Freedom to choose a vet that you know and trust.

With a VPI Pet Insurance policy, you can visit any licensed veterinarian worldwide.

Confidence of knowing you're with an industry leader.

Over the years, pet insurance companies have come and gone. It's good to know that VPI is the nation's oldest and largest health insurance plan for pets.
